

## **Policy for Discretionary Leave of Absence**

### **Rookery School, An Academy**

Approved by:  
Performance Review and Development Committee  
(PRD) on 29<sup>th</sup> January 2020

To be reviewed: January 2021

## **1. Introduction.**

- 1.1 The Governing Body recognises that the success of the Academy depends upon the contribution of all staff and gives full acknowledgement that a fair and effective policy on Discretionary Leave of Absence contributes to the maintenance of staff morale and thereby our success.
- 1.2 This policy sets out the Discretionary Leave of Absence provisions to make sure requests for leave of absence are dealt with in a fair and consistent way. The operational needs of the Academy are the priority and therefore there will be times when the Headteacher has to refuse a request for leave. The examples of discretionary leave given are non-exhaustive and where circumstances arise which are not identified in this policy the Headteacher has authority to make the decision on whether or not leave is granted, and whether it is with or without pay. Requests for extended leave of absence by the Headteacher, the Headteacher will inform the Chair of Governors.
- 1.3 This policy also sets out what you must do in the event that you must take leave of absence because you have a personal emergency.
- 1.4 The statutory (required by law) leave of absence provisions are generally outside the scope of this policy though they are noted where they bear a relationship to discretionary leave of absence. If you need clarification on whether the leave of absence that you want to take is statutory or discretionary then you must speak to the **Deputy Headteacher**
- 1.5 This policy does not cover leave which is included in the policies and procedures listed below:

Annual leave

Maternity/Paternity/Parental/adoption  
leave Flexible working

Sickness absence

Redundancy

Training and Study leave

Trade Union and Facilities time

- 1.6 This policy applies to all teaching and support staff. This policy is non-contractual and may be amended at any time.

## **2. Procedure and Decision Making**

- 2.1 Except in emergencies, authorisation to take leave of absence must be requested from the Deputy Headteacher as soon as the need for the leave

is known using the form at Appendix 1. Where the leave of absence request is made by the Head Teacher, the request should be made to the Chair of Governors.

- 2.2 Requests for leave of absence and approval/refusal of such will be dealt with in a fair and consistent manner, having regard to the nature of the request, statutory obligations, pupil/student educational provision, service needs, eligibility, any previous requests and the degree of flexibility that you already have in your current working arrangements. Non-emergency leave of absence must not be taken unless and until it has been approved on the form at Appendix 1..
- 2.3 Where an **emergency** arises you must notify the Headteacher by telephone and also confirmed in writing as soon as is reasonably practicable, giving the reason for the absence and how long you expect to be absent from work to deal personally with the emergency which cannot be dealt with by anyone else.
- 2.4 Where a leave of absence request is refused there is right of appeal. Any appeal must be made on the form at Appendix 1 within 5 days of receipt of the leave of absence decision. The appeal will be considered by the Headteacher whose decision is final.
- 2.5 A confidential record of requests for leave of absence and whether or not the request was granted will be maintained. Members of the LGPS scheme will be informed about the impact of taking unpaid leave on their pensionable service.

## Appendix 2 Bereavement

Rookery School acknowledges the personal nature of bereavement and grief and is committed to supporting employees in practical and reasonable ways.

### 1 Leave entitlements

#### Paid leave

Bereavement leave is paid leave that allows an employee time off to deal with their personal distress and related practical arrangements, primarily, but not limited to, when a member of their family dies.

Rookery School acknowledges that bereavement impacts all individuals differently and the guidelines below are intended to show the minimum paid leave an employee is entitled to in different circumstances.

Rookery School acknowledges that not all employees will need to take the full allowance, and some employees will need additional time, depending on their relationship with the person who has died and the circumstances of the death.

In the event of the death of an immediate relative, 5 working days paid leave will be granted. An immediate relative includes a spouse, civil partner or partner (including same sex partners),\* child,\*\* parent, step-parent, sibling or a person with whom the employee is in a relationship of domestic dependency.

\*Partner includes someone with whom the employee is co-habiting but is not the employee's spouse or civil partner.

- 1 Child includes children in respect of whom the employee is the adoptive parent and legal guardians and carers

An employee should notify their line manager of their need to take leave as soon as possible or, at latest, on the first day of absence. In exceptional circumstances, applications for leave will be considered after the first day of absence. Line managers have the right to exercise

discretion in exceptional circumstances as outlined above. Leave days do not have to be taken consecutively.

### Annual leave

In the event of a bereavement, an employee will be able to take unpaid leave or annual leave at short notice to supplement their bereavement leave. Requests should be directed to the employee's line manager.

### Unpaid leave

Unpaid leave on compassionate grounds up to a maximum of 5 days may be granted after bereavement. An employee must consult with their line manager before starting unpaid leave.

## 2 Return to work

In certain circumstances a full return to work may not be possible for an employee following the death of an immediate relative – for example, when the employee's grief is likely to impact on their ability to perform their role, or where new child care arrangements have to be sourced or responsibility for the care of an elderly parent has transferred to the employee.

In such instances Rookery School will allow a phased return to work on a part-time or reduced hours basis where practicable. Alternative duties may also be considered. Any such arrangement would need to be agreed in advance by the line manager, would be subject to an agreed maximum number of days and would be managed in line with Rookery School's flexible working policy.

## 3 Employee support

Rookery School acknowledges that bereavement leave is intended to support employees in the immediate period around the death of a relative. However, the process of grief, the natural reaction and adjustment to loss and change may take a significant time and will be personal to each individual.

An employee with any concerns about the grieving process impacting on their work performance should discuss this in confidence with their line manager, to ensure that any reasonable adjustments that may be necessary are discussed and put in place and that the employee is supported in their return to the full range of duties and responsibilities that they had prior to the bereavement or their duties and responsibilities are adjusted (as necessary) with the prior agreement of line manager.

Rookery School recognises that the majority of people do not require counselling to cope effectively with their grief. However, for employees wishing to avail themselves of professional help in coming to terms with a significant loss, the organisation will support the use of Cruse Bereavement care [www.cruse.org.uk/bereavement-at-work](http://www.cruse.org.uk/bereavement-at-work) and or cover the cost of up to 3 counselling sessions with an independent counselling practice. This is a confidential service and can be accessed directly through the Partner Headteacher

#### 4 Health and safety

Bereavement can have an impact on concentration, sleep, and decision-making. The health and safety assessment of the workplace will include consideration of the impact of bereavement on employees, their duties and responsibilities, and the context in which they are working, eg do they operate heavy machinery?

Any employee who is concerned about their ability to conduct their duties safely in the weeks following a bereavement must discuss this with their line manager.

Rookery School reserves the right to request an employee to be referred to an occupational health doctor before returning to work.

#### 5 Culture and Diversity

Rookery School recognises that different cultures respond to death in significantly different ways.

Line managers will check whether the employee's religion or culture requires them to observe any particular practices or make special arrangements which would necessitate them being off work at a particular time. Employees should not assume that their line manager is aware of any such requirements and should draw this to their line manager's attention as soon as possible.

Line managers who are unsure of how to respond to a bereaved employee from a different culture should ask the bereaved employee or someone else from their cultural group about what is appropriate.

## Travelling Abroad

If an employee is required to quarantine after travel abroad. They may:

- take unpaid leave
- make up the 14 days' leave over a period of time, so they do not incur a drop in pay

Employees should complete a foreign travel quarantine form as soon as they have confirmed their travel arrangements.

Consideration will be given to

- an employee who has extenuating circumstances such as a family funeral abroad
