Introduction

The government plan is for the full return of all pupils from March 2021 (updated in line with government guidance from February 2021): <https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools>

This document has been refreshed from its previous iterations. Any hyperlinks will be identified by underlining.

Much of the content in this guidance will be familiar to you, as it replicates what was in place for the autumn term. Specific changes include:

- use of face coverings in classrooms for secondary age pupils and staff
- mandatory attendance expectations in different school phases
- arrangements for testing of pupils and staff
- current expectations for clinically extremely vulnerable pupils and staff
- curriculum expectations
- elective home education
- exams

School employers and leaders are required by law to think about the risks the staff and pupils face and do everything reasonably practicable to minimise them, recognising they cannot eliminate the risk of coronavirus (COVID-19). School employers must therefore make sure that a risk assessment has been undertaken to identify the measures needed to reduce the risks from coronavirus (COVID-19) so far as is reasonably practicable and make the school COVID-secure. General information on how to make a workplace COVID-secure, including how to approach a coronavirus (COVID-19) risk assessment, is provided by the [HSE guidance on working safely](#).

We recommend all school leaders and staff members to regularly review the latest information produced by Public Health:

https://www.birmingham.gov.uk/COVID-19_schools_faqs.

The latest checklist and flowchart can be found here for guidance on dealing with suspected or confirmed cases within staff or pupil cohorts, and their contacts: https://www.birmingham.gov.uk/downloads/download/3527/public_health_flowchart_for_schools

This risk assessment checklist/tool is based on Government guidelines on COVID-19. It is provided to help schools to prepare and decide arrangements for an increased number of children attending/returning to school. It remains subject to change at a short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). [EYFS guidance](#) should be considered for Nursery Schools and Nursery Classes. Additional guidance for [Special Schools](#) (and specialist provision) should also be considered as appropriate.

Any updates to the previous Risk Assessment template going forward will be identified in the version control table from p7 onwards.

The completion of this tool/checklist should not be undertaken in isolation by one individual and should involve staff who understand the risk assessment process. Once completed, the risk assessment should be shared with the school's workforce. If possible, schools should consider publishing it on their

website to provide transparency of approach to parents, carers and pupils (HSE would expect all employers with over 50 staff to do so). A risk assessment should be updated and revisited regularly.

Risk assessment is about identifying reasonably practicable measures to control the risks in a workplace or when undertaking an activity. The process evaluates the threats and risks of a specified issue/situation and enables the likelihood that somebody could be harmed, together with an indication of how serious the harm could be, to be considered.

Likelihood - For each issue/situation, determine the likelihood it will occur.

Severity (outcome) - **determine** the potential injury/health.

Likelihood	Severity
4 = Certain = common or frequent occurrence	4 = Major risk - death, loss of limbs, etc
3 = Probable = likely to occur sometime	3 = High risk - broken bones, burns, etc
2 = Possible = may occur sometime	2 = Moderate risk - cuts, bruises, sickness, etc.
1 = Improbable = unlikely to occur	1 = Minimal risk - strain, shaken, no injury, etc

The matrix (below) provides a method to determine the level of risk, with the Likelihood and Severity being independently scored and plotted.

RISK LEVEL MATRIX					
PROBABILITY (LIKELIHOOD)	4	Low	High	Very High	Very High
	3	Low	Med	High	Very High
	2	Low	Low	Med	High
	1	Low	Low	Low	Low
		1	2	3	4
		SEVERITY (OUTCOME)			

Once the likelihood and severity of the risk have been assessed they are plotted on the risk profiling grid above and the risk rating defined e.g. If a risk has a likelihood of 3 – Likely and a severity of 1 – Minimal, the risk rating will be $3 \times 1 = 3$. This would mean the risk is low and arrangement would be adequate. Example as follows:

Issue/Area to be addressed (Potential Hazard)	Current Control Measures Good Practice Control Measures Adopted	In place (Yes/No)	Further action/ Comments	Final Risk Rating
Example: Slips, trips and falls <i>There are smooth surfaces and tripping hazards around the school site with the potential to cause persons to fall over injuring themselves with multiple injuries.</i>	<ul style="list-style-type: none"> • <i>Cleaning regime in place.</i> • <i>Correct safe substance used for surfaces.</i> • <i>Signage available.</i> • <i>Cleaners have received training.</i> • <i>Introduce hazard reporting system and ensure that staff are aware of school H&S Policy.</i> • <i>Undertake specific risk assessment on snow and ice.</i> • <i>Remove all trailing cables in admin office.</i> 	Y	Review arrangements for new staff i.e. ensure the H&S policy to shared /communicated	3x1=3 Low

This is a model risk assessment based on initial Government guidelines on COVID-19 as at February 2021 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). Schools should amend according to individual context. Please contact eds.enquiries@birmingham.gov.uk if you are experiencing accessibility issues with the document.

		<ul style="list-style-type: none"> Preparedness to implement Test and Trace as set out the latest guidance. 			
Number of staff available is lower than that required to teach classes in school (<i>cross reference with risk assessment on staff health and wellbeing</i>)		<ul style="list-style-type: none"> The health status and availability of every member of staff is known and is regularly updated. Including all teaching and non-teaching staff (EY practitioners, DSL, SENCO, Paediatric 1st Aid (for under 2-year olds)/ 1st Aider or emergency 1st aid for children 3-5 years, domestic/kitchen staff etc. CEV staff are advised not to attend the workplace and should continue to shield after vaccination (until guidance is changed). Those living with someone who is CEV can still attend work where home working is not possible. Full use is made of those staff who are isolating but who are well enough to teach lessons remotely. Consideration of staffing changes to cover absence. You may need to alter the way in which you deploy your staff and use existing teaching and support staff more flexibly. Use of teaching assistants and pastoral staff to supervise classes. A blended model of home learning and attendance at school is utilised until staffing levels improve. If your school is struggling with a shortfall in staffing and this may be more likely for infant schools, you will need to consider possible solutions with your local authority and/or trust. Contingency planning with LA is in place and additional resource identified, for example bringing additional teachers in to help, for example supply teachers, teachers on temporary agreed loan from other schools, or teachers provided by your trust or local authority (considering the guidance about consistent staffing across the week). Using some senior 	Yes 2 staff shielding Yes Yes Yes	Remote teaching in place Current staff level appropriate to safeguard children	2x2

This is a model risk assessment based on initial Government guidelines on COVID-19 as at February 2021 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). Schools should amend according to individual context. Please contact eds.enquiries@birmingham.gov.uk if you are experiencing accessibility issues with the document.

		<p>leadership time to cover groups if this is manageable.</p> <ul style="list-style-type: none"> • Maintain distinct groups or 'bubbles' that do not mix to identify those who may need to self-isolate quicker and to keep that number as small as possible. • 'Bubbles' of an appropriate size are implemented (and under review) to achieve the greatest reduction in contact and mixing. Make sure this will not affect the quality and breadth of teaching or access for support and specialist staff and therapists. Staff including temporary/supply/peripatetic personnel can move across different classes and other year groups minimising contact and maintaining as much distance from other staff as possible. • To minimise the numbers of temporary staff entering the school premises, schools may wish to use longer assignments with supply teachers and agree a minimum number of hours across the academic year. • Schools should ensure that appropriate support is made available for pupils with SEND as well as pupils isolating at home or considered to be clinically extremely vulnerable. Consider deploying teaching assistants and enabling specialist staff from both within and outside the school to work with pupils in different classes or year groups. • Home testing for school staff is communicated in line with the latest guidance. 	<p>Yes</p> <p>Yes</p>	<p>In place from Sept 2020 Each bubble has 3 or more adults</p> <p>Year group bubbles to ensure quality and breadth of the curriculum.</p> <p>All statements CMC managing kitchen staff shortage and suppliers Lunchtime staff have completed food hygiene training</p> <p>Remote Learning Policy in place with regular review and development</p> <p>Staff reminded to have a flu jab Oct 20</p> <p>Lateral flow testing of staff in place 1st Feb 21</p>	
Resource base provision within mainstream setting		<ul style="list-style-type: none"> • All pupils risk assessed and discussed at panel • On site and remote learning arrangements in place for each pupil • Therapists and other professionals may continue to visit education settings to provide therapies and support, where this is reasonably necessary. • Where children and young people with EHC plans are not 	<p>Yes</p>	<p>12/16 Children with EHCP in regular attendance Feb 21</p> <p>Remote learning and family support in place for the others</p> <p>Targets for remote learning</p>

		attending their education setting, multi-agency professionals should collaborate to agree how the provision set out in the EHC plan can be delivered. This may include face-to-face visits to the home, or virtual support by means of video or telephone calls, or via email.		based on EHCPs	
Schools lose focus on continuing to apply in-year admissions process including admitting 'new' pupils		<ul style="list-style-type: none"> Review in-year school admissions expectation with key admission staff. Ensure key school contact and related resources in place. Ensure timely returns of individual pupil (applications and outcomes through a Pupil Movement Form) and wider cohort data returns. Ensure speedy admission of children in the relevant year groups particularly those more vulnerable children. 14 Base pupils risk assessed and discussed at regular SEND, ISEY or Fair Access panel. Any issues addressed through SLT and in discussion with families. LA support for individual or complex cases. 	Yes	<p>Oct 2020 online processes reviewed</p> <p>SR to review places once all children return 8th March</p>	2X2=4
Nursery School (NS) and Nursery Classes (NC) lose focus on continuing to apply termly admissions process including admitting 'new' pupils		<ul style="list-style-type: none"> Review EEE termly admissions process. Funding questions are emailed to NEF@Birmingham.gov.uk Ensure key school contact and related resources in place. Ensure parental declarations are completed and signed each term. XXX pupils risk assessed and discussed at regular SEND, ISEY or Fair Access panel. Any issues addressed through SLT and in discussion with families. LA support for individual or complex cases. 	Yes Yes	<p>Nursery school offers being made March 2021 onwards</p> <p>Numbers for nursery entry 21 improved when compared to March 2020</p>	1X1=1
2. Plan how the whole school will be accommodated and encourage attendance					
Measures are not in place to accommodate mandatory attendance		<ul style="list-style-type: none"> Reduced contact between bubbles/groups continues to be reinforced Adaptations to the classroom are made to support distancing where possible. That could include seating pupils' side by side and facing forwards, rather than face-to-face or side on. 	Yes	Entrances and exits reviewed Oct 2020 and Jan 21 for vulnerable and critical worker	1X1+1

This is a model risk assessment based on initial Government guidelines on COVID-19 as at February 2021 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). Schools should amend according to individual context. Please contact eds.enquiries@birmingham.gov.uk if you are experiencing accessibility issues with the document.

	<ul style="list-style-type: none"> • Removing unnecessary furniture out of the classroom to make more space. • Use of unused classrooms. • In NS/NC where additional space is identified for accommodating 2-year olds and under 2s, then the school will need to register the space for use with Ofsted using the current interim process. • Engagement of appropriate services for families not engaging • Curriculum leads in school meet regularly to review impact of plan. • NS engage with NS Trust and Teaching Schools Alliance or the Early Years team EYDuty@birmingham.gov.uk 		provision All social distancing practices to continue from Sept 2020 for March 2021 opening to all children	
Classroom and timetable arrangements do not allow for all pupils to attend in line with guidance	<ul style="list-style-type: none"> • Agreed new timetables and confirm arrangements for each year group to allow for reduced interaction between year groups. In primary schools, classes stay together with their teacher and do not mix with other pupils. • Classrooms re-modelled and space maximised. Spare furniture that will not be used is removed. • Clear signage displayed in classrooms promoting social distancing. • Hand washing facilities identified for each learning zone • Ventilation is increased while spaces are unoccupied e.g. breaktimes. • Arrangements in place to support pupils when not at school (e.g. complying with clinical or public health advice) with immediate access to remote learning at home. 	Yes	Training on AFL and airdrop and mirroring Rookery will bubble in year groups to support smaller groups and PPA. Pods transitioned smoothly to remote learning following positive cases. Remote learning	1X1=1

This is a model risk assessment based on initial Government guidelines on COVID-19 as at February 2021 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). Schools should amend according to individual context. Please contact eds.enquiries@birmingham.gov.uk if you are experiencing accessibility issues with the document.

		<ul style="list-style-type: none"> • Consider staggered break times and lunch times to align with staggered start and finish times. Make sure you allow time for cleaning surfaces in the dining hall between groups. • Consider lunchtimes in the classroom for younger year groups. • In EYFS handwashing supervision is in place. The EYFS environment is re-organised to meet requirements of social distancing including groups who do not mix with other children or other small groups. • Staffing arrangements for lunchtime also need to be considered to ensure colleagues have a reasonable break. • Schools should engage with their local immunisation providers to provide the usual immunisation programmes on site, ensuring these will be delivered in keeping with the school's control measures. • Participation in the Testing Programme for staff and secondary age pupils. 		<p>reviewed Jan 21 Provision on Website,</p> <p>All break and lunchtimes staggered to accommodate pods</p> <p>SLT review regularly and update weekly briefing notes</p> <p>Site manager emails when advice is necessary</p> <p>Cleaning matched to any changes in timetables</p> <p>Staff take part in rapid lateral flow testing programme from Feb 21</p>	
There is a need to review group participation and use of large spaces to allow for the school to be fully operational		<ul style="list-style-type: none"> • Encourage use of outdoor space, weather dependent. • Identify available large spaces and appropriate timetabling e.g. dining areas, halls, studios, particularly in outdoor areas. • Large gatherings, assemblies or collective worship to be avoided with more than one group. Consideration over use of prayer rooms and alternative arrangements if the space is not deemed covid-safe. • Design layout and arrangements in place to enable social distancing • The EYFS environment is re-organised to meet requirements of social distancing 	Yes	<p>Flu forms distributed Oct 2020. Parents given advice on Dojo</p> <p>Base/SENCO Leaders Action plan re SEN portfolios</p>	1X1=1

This is a model risk assessment based on initial Government guidelines on COVID-19 as at February 2021 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). Schools should amend according to individual context. Please contact eds.enquiries@birmingham.gov.uk if you are experiencing accessibility issues with the document.

		<ul style="list-style-type: none"> Careful consideration of how to minimise risk from music classes e.g. singing outside, chanting, playing wind or brass instruments or shouting. Outdoor sports should be prioritised where possible, and large indoor spaces used where it is not, maximising distancing between pupils and paying scrupulous attention to cleaning and hygiene contact sports avoided. A separate Risk Assessment from any external provider operating on site is required and reviewed. Performances with an audience should not be hosted. Consider alternatives such as live streaming and recording performances, subject to the usual safeguarding considerations and parental permission. 		<p>Accelerating Pupil Progress Process in operation</p> <p>Lateral flow testing in place Feb 21</p> <p>Each year group allocated a day in sports and arts centre</p> <p>Cleaners on site during day</p> <p>Assemblies are now online Jan 2021</p>	
3. Communications to parents and pupils including discussing attendance expectations and preparing returning pupils					
Parents and carers are not fully informed of the health and safety requirements for the wider opening of the school		<ul style="list-style-type: none"> As part of the overall communications strategy, parents are kept up to date with information, guidance and the school's expectations using a range of communication tools. COVID-19 section on the school website is updated clearly showing arrangements for arriving/collecting pupils, as well as the remote learning offer available. Parent and pupil handbooks reflect changes to usual school policy and expected behaviours. Advice is made available to parents on arrangements for testing for COVID-19 in line with the latest guidance. Clarify arrangements for pick-up/drop-off, breaktimes, as well as expectations for free study periods. NS/NC include arrangements for personal care e.g. nappy changing/feeding/sleep arrangements etc. For pupils with EHCP, discuss RA with parents, and where appropriate, with pupils. 	<p>Yes</p> <p>Yes</p> <p>Yes</p> <p>Yes</p> <p>N/A</p>	<p>1. Content and timing of communications to parents and pupils including discussing attendance expectations and other specific things that parents should do to help prepare returning pupils Class Dojo – school website contains regular (weekly) public health information</p>	<p>1X4=4</p>

		<ul style="list-style-type: none"> • Support for individual pupils is planned through risk assessment and any issues addressed through SLT discussion • Support for pupil/parent anxiety about return to school and vulnerability to COVID-19 • Bring any support requests to weekly LA SEND Panel • Requests for support for vulnerable families sent through Early Help Hubs • LA support for individual or complex cases • NS/NC bring any support requests to weekly LA ISEY Panel 	Yes		
Parents and carers may not fully understand their responsibilities should a child show symptoms of COVID-19		<ul style="list-style-type: none"> • Key messages in line with government guidance are reinforced regularly via various communication methods (e.g. email, text, website, verbal). Community languages are considered. • Clear procedures and record keeping are in place where a child falls ill whilst at school, with reference to the school's infectious diseases policy • Ensure contact details of families are up to date. 	Yes through Dojo	<p>Clear weekly public health messages on Dojo</p> <p>Including local infection rates from Jan 21 Local lateral flow testing sites and how to obtain LFT for the family</p> <p>Updated H and S policy with infectious disease addendum including isolation room</p> <p>Admin team continually auditing contact details through staff contact with families , FSM vouchers</p>	1 X4 =4

Communications with parents/carers about expectations that must be followed to support pupils and keep the school community safe are not clear or in place		<ul style="list-style-type: none"> • LFD testing arrangements onsite and home, are communicated clearly to parents and carers. • Where home testing is not possible, arrangements are in place for the testing to be carried out at school. • Refer to school's hygiene policies. Uniforms do not need to be cleaned any more often than or differently to usual. • Clarity around attendance expectations and remote learning offer; when COVID-19 is a risk factor within the family • Brokerage of access to <u>Forward Thinking Birmingham</u> resources to support mental health and wellbeing, including anxiety of returning to school for pupils and parents. • <u>Family Connect</u> support explored if required. • NS/NC arrangements in place for single child use to change bedding regularly to reduce the risk of infection. • Consideration given to personal items of children and hygienic storage of items – Soothers, comforters, nappies, personal toys. 	Yes	Public health information, including testing and local infection rates weekly on Dojo Remote learning offer on Website Jan 21 Dedicated cleaner for toys and equipment in Early Years- Sept 20 onwards	1 X4=4
4. The School day					
The start and end of the school day create risks of breaching social distancing guidelines		<ul style="list-style-type: none"> • Consider stagger to start and end of day. • Break and lunchtimes are also considered to maximise teaching time. • The number of entrances and exits to be used is maximised; where possible each year group to enter through its own access point. • Different entrances/exits are identified and used for different groups. • Staff and pupils are briefed, and signage provided to identify which entrances, exits and circulation routes to use. • A plan is in place for managing the movement of people on arrival to avoid groups of people congregating and parents are informed that gathering at school gates needs to be minimised and entry onto the school site/buildings for visitors or parents is via appointment only • Floor markings are visible where it is necessary to manage any 	Yes Yes 2/9/2020 Yes Yes Yes Yes	All Social distancing measures remain in place for March 2020	1X4=4

This is a model risk assessment based on initial Government guidelines on COVID-19 as at February 2021 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). Schools should amend according to individual context. Please contact eds.enquiries@birmingham.gov.uk if you are experiencing accessibility issues with the document.

		queuing. <ul style="list-style-type: none"> A plan is in place for the effective and safe handover of very young children at the beginning and end of the session - particularly around issues of responding to young children who are showing signs of distress. DSLs should maintain a focus on vulnerable children, particularly if preparing for bubble isolation and should notify key workers (social workers, family support). 	Yes		
Daily attendance registers for new cohorts are not in place		<ul style="list-style-type: none"> Designate staff responsibility for completion of school daily attendance registers (for onsite and any remote learners). Designate staff responsibility for completion of DfE daily submission. Regular reporting to responsible body and monitoring of attendance and follow-up with families factored into workload. Review <u>separate guidance</u> on recording attendance. <u>Addendum: recording attendance in relation to coronavirus (COVID-19) during the 2020 to 2021 academic year.</u> 	Yes SR Yes EB Yes Yes	Sept 20 Teachers briefed on new X code to track children self-isolating Regular reporting of attendance to Govs through HT risk assessment report	Yes Yes Yes
Staff may not fully understand their responsibilities if they or a child show symptoms of COVID-19		<ul style="list-style-type: none"> Key messages are regularly reinforced in line with government guidance. Community languages are considered. This is a model risk assessment based on initial Government guidelines on COVID-19 as at February 2021 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). Schools should amend according to individual context. Please contact eds.enquiries@birmingham.gov.uk if you are experiencing accessibility issues with the document.

		<p><i>the specific codes for COVID-19 absence or by informing schoolsafety@birmingham.gov.uk.</i></p> <p>o <i>For schools who do not subscribe to the service from the council's safety team and where the council is not the employer of staff you will need to check with your employer and/or provider of safety support regards your arrangements for undertaking RIDDOR reports and how coronavirus is reported (for those cases meeting the HSE defined criteria).</i></p>			
Arrangements to isolate individuals displaying symptoms of COVID-19 are not in place		<ul style="list-style-type: none"> • School's medical room/space has been assessed to ensure social distancing and isolation measures are not compromised. • For very young children there is a designated area available where a key person can continue to support the child away from the rest of the group until collection by parent/carer. • Additional rooms are designated for pupils with suspected COVID-19 whilst collection is arranged. • Procedures are in place for medical rooms or other spaces to be cleaned after suspected COVID-19 cases, along with other affected areas, including toilets. • Isolated individuals should be in rooms where door can be closed (age permitting of child) and with windows for ventilation. • Additional PPE to be used for accompanying staff where pupil symptomatic and 2m distance cannot be sustained. • Isolation for pupils and staff in residential settings should be within the residential setting. 	Yes		1 X4=4
14. Plan for personal protective equipment for staff					
Provision of PPE for staff where required is not in line with government guidelines		<ul style="list-style-type: none"> • Changes to government guidance on wearing PPE is understood and communicated. Read the guidance on safe working in education, childcare and children's social care for more information about preventing and controlling infection and use of PPE if an individual child, young person or student becomes ill with coronavirus (COVID-19) symptoms when a distance of 2 metres cannot be maintained or when performing 	Yes		1 X4 =4

This is a model risk assessment based on initial Government guidelines on COVID-19 as at February 2021 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). Schools should amend according to individual context. Please contact eds.enquiries@birmingham.gov.uk if you are experiencing accessibility issues with the document.

		<p><u>aerosol generating procedures (AGPs).</u></p> <ul style="list-style-type: none"> • Sufficient PPE has been procured through normal stockist. • PPE requirements for individual pupils and staff have been risk assessed and sourced through normal stockist. • Those staff required to wear PPE have been instructed on how to put on and how to remove PPE carefully to reduce contamination and how to dispose of them safely. • Staff are reminded that wearing of gloves is not a substitute for good handwashing. • Adults should maintain a 2-metre distance from others. Where this is not possible avoid close face-to-face contact and minimise time spent • In primary schools, we recommend that face coverings should be worn by staff and adult visitors in situations where social distancing between adults is not possible (for example, when moving around in corridors and communal areas). Children in primary school do not need to wear a face covering within 1 metre of others. • Rookery recommends that teachers wear a clear visor in the classroom. • Seek LA support for emergency PPE stock. • Appropriate measures are taken on the cleaning of reusable PPE items in line with guidance. 			
--	--	--	--	--	--

PPE provision is not in place for staff providing intimate care and for cases where a child becomes unwell with symptoms of coronavirus and needs direct personal care until they can return home		<ul style="list-style-type: none"> • Requirements for PPE have been assessed in line with DfE guidelines and Public Health Birmingham scenarios. • Sufficient stock has been ordered using school's usual suppliers • Arrangements to seek LA support to obtain PPE in case of an emergency are known and in place. • Health and safety governors are satisfied that arrangements are in place and in line with DfE guidelines. • Additional PPE for coronavirus (COVID-19) is only required in a very limited number of scenarios, for example, when: <ul style="list-style-type: none"> • a pupil becomes ill with coronavirus (COVID-19) symptoms, and only then if a 2 metre distance cannot be maintained • performing aerosol generating procedures (AGPs). 	Yes		1 X4 =4
15. Managing premises related issues					
There is no agreed approach to any scheduled or ongoing building works therefore contractors on-site whilst school is in operation may pose a risk to social distancing and infection control		<ul style="list-style-type: none"> • Ongoing works and scheduled inspections for schools (e.g. estates related) have been designated as essential work by the government and so are set to continue. • An assessment has been carried out to see if any additional control measures are required to keep staff, pupils and contractors safe including distancing and hygiene procedures. • Assurances have been sought from the contractors that they are familiar with the <u>symptoms associated with Coronavirus covid-19</u>, all staff attending the setting will be in good health (symptom-free) and that contractors have procedures in place to ensure effective social distancing is always maintained. • Alternative arrangements have been considered such as using a different entrance for contractors and organising classes so that contractors and staff/pupils are kept apart. • Social distancing is being maintained throughout any such works and where this is not possible arrangements are reviewed. • In addition to arrangements for COVID-19, normal contractor procedures are being applied and have been updated considering COVID-19 (including contractor risk assessments and method statements, and contractor induction), including 	Yes	Major roof works completed ready for Sept 20	1 X4=4

		contractors who works across sites or schools. <ul style="list-style-type: none"> • Premises governing board committee is aware of planned works and associated risk assessments. • Where BCC is the building owner the <i>landlord approval process</i> has been undertaken when required i.e. any works likely to disturb the fabric of the building. 			
Fire procedures are not appropriate to cover new arrangements		<ul style="list-style-type: none"> • Fire procedures have been reviewed and revised where required, due to: <ul style="list-style-type: none"> ○ Changes to numbers of pupils/staff ○ Possible absence of fire marshals - absent fire marshals to be replaced with trained substitutes ○ Social distancing rules during evacuation and at muster points ○ Possible need for additional muster point(s) to enable social distancing where possible • Staff, pupils and governors have been briefed on any new evacuation procedures. • Incident controller and fire marshals have been trained and briefed appropriately. • Fire drill arranged in line with Covid plan. 	Yes	Reviewed by site manager Site manager updated PHT 16.11.2020 Site manager updated HT Jan 21 re fire doors in corridors. Fire procedures, Fire extinguisher checks March 21	1 x4 =4
Fire evacuation drills - unable to apply social distancing effectively		<ul style="list-style-type: none"> • Plans for fire evacuation drills are in place and are in line with social distancing measures, with marked areas if required. 	Yes	Yes Fire practice Held 01/07/2020 15/10/20 Next due March 21 New Fire Marshall training 2/9/2020	1 x4 =4
Fire marshals absent due to self-isolation		<ul style="list-style-type: none"> • An additional staff rota is in place for fire marshals to cover any absences and staff have been briefed accordingly. • Staff appropriately trained in fire marshal duties as required. Statutory compliance has not been completed due to the availability of contractors during lockdown		<ul style="list-style-type: none"> All statutory compliance is up to date. Where water systems have not been maintained throughout lockdown, chlorination, flushing and certification by a specialist contractor has been arranged. Water system checks and actions to be undertaken prior to wider opening. Legionella Risk Assessment up to date. Fire drills continue to be undertaken and Fire Risk Assessment up to date including management of doors opened for ventilation purposes. Ensure staffing cover should key staff (site manager/caretaker) involved in statutory testing & site safety be off or away LA support is in place. 	Yes	Site manager updated HT Jan 21 re water testing and flushing of systems. Site manager updated HT Jan 21 re water testing and flushing of systems. And water temperature testing 3/03/21	1 x4 =4
The costs of additional measures and enhanced services to address COVID-19 when reopening puts the school in financial difficulty		<ul style="list-style-type: none"> Additional cost pressures due to COVID-19 identified and an end-of-year forecast which factors them in has been produced. LA or Trust finance team has been consulted to identify potential savings in order to work towards a balanced budget. Additional COVID-19 related costs are under monitoring and options for reducing costs over time and as guidance changes are under review. Additional sources of income are under exploration. The school's projected financial position has been shared with governors and LA or trust. NS/NC are aware of financial support available to support sustainability 	Yes	Possible staffing costs if there are high levels of sickness or compassionate leave	3X3=9
16. Impact on staff and pupils with protected characteristics and adapting your approach					
Considerations					
<ul style="list-style-type: none"> Nationally the ONS analysis has identified an increased risk of death among some ethnic groups, although this increased risk is also impacted by age, as well as gender and long term conditions like type 2 diabetes, high blood pressure and kidney disease. 					

This is a model risk assessment based on initial Government guidelines on COVID-19 as at February 2021 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). Schools should amend according to individual context. Please contact eds.enquiries@birmingham.gov.uk if you are experiencing accessibility issues with the document.

- There doesn't appear to be any difference between in ethnic groups in terms of infection rates, i.e. who catches it, the difference is in the proportion who die.
- In light of this it is important for risk assessments of individuals, staff and pupils, take this into account, the main risks are around health conditions such as diabetes, kidney disease and high blood pressure, especially if poorly controlled and also obesity has been identified as a significant risk factor. The risk of death is also higher in older people over 65yrs and men have a slightly higher rate than women. Those with respiratory conditions like asthma and chronic obstructive pulmonary disease also pose higher risks, along with auto-immune conditions. Smoking can also exacerbate the disease and lead to poorer outcomes
- The NHS risk assessment suggests BAME individuals have a higher risk at a younger age, so as a rough guide consider a BAME 55yr old's risk in the same way you would consider White 65yrs old, but the biggest risk factor is existing health conditions.
- Once risks are identified then it would be sensible to work with your occupational health provider on how then to look at adjustments and whether staff can, for the remainder of term, support remote teaching or telephone support roles. This assessment will need to be on a case by case basis.
- It is less clear cut for children who are living in households with other vulnerable adults or siblings, however it is worth noting that the risk is less from younger children than older children and can be reduced through good hand hygiene. This however will be a decision that parents will need to make individually based on their personal circumstances.

Further information on Government's vaccination plan can be found here: <https://www.nhs.uk/conditions/coronavirus-covid-19/coronavirus-vaccination/coronavirus-vaccine/>

Measures have not been put in place to protect staff and pupils with underlying health issues, BAME staff		<ul style="list-style-type: none"> • An equality impact assessment is undertaken for the school's staff and pupils. • All members of staff and parents of pupils with underlying health issues, those within vulnerable groups have been instructed to make their condition or circumstances known to the school, and members of staff with children who cannot attend school/nursery/childminder etc are supported. • Records are kept and regularly updated e.g. check children and staff who have identified as having asthma have up to date care plans. • Members of staff and parents of pupils with underlying health conditions have been asked to seek and act on the advice of their GP/consultant/midwife or current government advice. • Staff and parents of pupils are clear about the definitions and associated mitigating strategies relation to people who are classed as clinically vulnerable and clinically extremely vulnerable. <p>All staff who were clinically extremely vulnerable and received a</p>	<p>Yes</p> <p>Yes</p> <p>Yes</p> <p>Yes</p>	<p>Ongoing Sept 20 – Mar 21</p> <p>CEV children's parents contacted 4.03.21 (2 Children)</p> <p>Staff shielding to</p>

18. Home to School Transport					
<p>Urban Transport Group released a briefing in May 2020 requesting the Government to lead joined-up dialogue between the education and transport sectors on how best to resolve the operational challenges and to meet the full additional transport costs of the return to schools and colleges.</p> <p>Keys points include:</p> <ul style="list-style-type: none"> • Promote the use of sustainable travel and transport (i.e. modes that improve physical wellbeing for users and/or environmental quality) for journeys to and from education and training establishments for children and young people or compulsory school age in the local authority area. • As part of their overarching role to keep cities regions moving in a manner that protects health, the environment and quality of life, transport authorities also have an interest in ensuring that the return to school and college does not create congestion, contribute to air pollution or pose a risk in terms of the health and safety of children and their parents or of transport staff and the wider public, including passengers travelling on mainstream routes that 					

serve schools.

- In line with this, transport authorities will be looking to ensure that children are able to safely walk, cycle or scoot to school where possible. Indeed, in normal times, transport authorities invest considerable resources in promoting mode shift for school transport and in supporting and training children to travel safely and sustainably. The need to encourage children to walk, cycle or scoot to school sitting alongside the risks posed by a rise in speeding and other dangerous driving on empty roads.

For further information and guidance regarding any of the above points visit www.birmingham.gov.uk/modeshiftstars or contact: connected@birmingham.gov.uk.

Consideration whilst using public transport		<ul style="list-style-type: none"> • School should adopt measures to address the risks in a way that works in the local circumstances. Distancing should be maximised and mixing of groups should be minimised where possible and practical. • People aged 11 and over must wear a face covering when travelling on public transport. In accordance with advice from PHE, they must also wear a face covering when travelling on dedicated transport to secondary school. People who are exempt do not need to wear a face covering. • Pupils should not board home to school transport if they, or a member of their household, has had a positive test result or has symptoms of coronavirus (COVID-19). 		PHE information posted weekly on Dojo and website. Base children following social distancing guidance on LA transport Sept 20 onwards Letter for transport shared with Base parents 5 th March 2021	
Pick up and drop off times		<ul style="list-style-type: none"> • Consider opening school gates earlier or designated entrances so parents can socially distance. Encourage parents not to gather at entrance gates or doors or enter the site unless they have a pre-arranged appointment. • Encourage only one parent/carer/childminder to drop or collect and timetable allocated drop off and collection times. • Talk to staff about the plans (for example, safety measures, timetable changes and staggered arrival and departure times), including discussing whether training would be helpful. • Stagger start and finish times to ease pavement congestion and reduce journeys on public transport during peak hours. • Consider the use of simple signage to highlight the need for social distancing: stickers (could be customised versions e.g. using pupils' designs) or simple spray, tape or chalk 	Yes	Dojo message 3 rd March to remind parents of extended drop off and collection times to allow for social distancing. Reminded about; Face coverings, designated entrances, not to arrive early and gather at gates. One adult on-site	

This is a model risk assessment based on initial Government guidelines on COVID-19 as at February 2021 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). Schools should amend according to individual context. Please contact eds.enquiries@birmingham.gov.uk if you are experiencing accessibility issues with the document.

		<p>markings.</p> <ul style="list-style-type: none"> Organised queuing and boarding of vehicles and distancing within vehicles wherever possible. Consideration of emergency school streets measures as identified in the <u>Emergency Birmingham Transport Plan</u> including Car Free School Streets, parking restrictions and reducing speed limits. If appropriate, consider putting into a place one-way pedestrian system on the street surrounding the school with determined entrance and exits for classrooms and areas of the school. Pupils/staff must wash their hands/use hand sanitiser on boarding and on arrival (as is the case for all pupils), dispose of temporary face coverings in a covered bin or place reusable face coverings in a plastic bag they can take home with them, and then wash their hands again before heading to their classroom. Additional cleaning of designated school transport. 		<p>to collect, to allow children to walk onto the site alone (staff to support), one way systems</p> <p>Children reminded to remove face coverings outside school building and safe storage.</p> <p>Handwashing routines on arrival</p>	
Children arriving late as a result of journey to school		<ul style="list-style-type: none"> Advise parents/carers to use various modes of transport including driving to school being mindful of the need to socially distance around the school safely. Encourage walking, cycling or scooting to their education setting where possible. Ensure parents and young people are aware of recommendations on transport to and from education or childcare setting (including avoiding peak times). Read the <u>Coronavirus (COVID-19): safer travel guidance for passengers</u> Ensure that transport arrangements cater for any changes to start and finish times. Identify possible park and stride sites - parents and others who do have to drive can then park (legally) nearby and walk the last part of their journey. Drivers should be advised to anticipate more pedestrians and cyclists than usual, restrict speeds and avoid parking on 		<p>Dojo message March 2020</p> <p>Team to develop school travel plan established October 2020</p>	

		<p>(or partially on) pavements.</p> <ul style="list-style-type: none"> • If travelling by public transport: check website or live bus app for revised timetables before travel; try to keep 2 metres away from people not in their household while waiting in the queue; carry and use hand sanitiser; wear a face covering if they can; sit in the window seat, leaving the seats in front and behind empty. For further information and guidance visit: https://nxbus.co.uk/west-midlands/news/stay-safe-when-travelling-with-us • Use <u>Modeshift STARS</u> to review and update school travel plan considering both staff and pupil travel. Communicate revised travel plans clearly to contractors, BCC and parents. • Consider using social media messaging to inform the local community that parents/pupils may be travelling at specific times in order to avoid pavement congestion. • 		<p>Children engaged in Modeshift Stars activities to encourage walking, cycling or scooting to school. Oct 20- March 21</p>	
<p>Transport capacity for pupils (with EHCP) attending special schools and resource bases is insufficient</p>		<ul style="list-style-type: none"> • Schools' individual requirements are discussed with <u>Home to School Transport</u> to prepare for full return. From the autumn term, local authorities will not be required to uniformly apply the social distancing guidelines for public transport, on dedicated school or college transport. • Schools are aware of the proposed routes and vehicle allocations for full opening. • Parents to be informed of transport arrangements from Travel Assist and Schools. Parents can contact Parentlinkservice@birmingham.gov.uk with specific queries. • 	<p>Yes</p>	<p>Base staff have ensured a plan has been in place from Sept.
